	POLICY CODE: JLCB
	LEAD DEPARTMENT: Health Services

Subject to the exemptions as provided by law, immunizations are required for attendance of any student in any District school. A student's immunization record must be submitted prior to attendance, although a student may be conditionally enrolled provided that necessary immunizations have been initiated and a schedule has been established for completion of the required immunizations. A student who is eligible by definition of homeless under the McKinney Vento Act and all refugees will be referred to the Welcome Center.

Any student with serologic confirmation of the presence of specific antibodies against a vaccine-preventable disease shall not be subject to immunization against that disease as a condition for attending school.
